Rso136@gmail.com

Web developer with a diversified background in programming, public speaking, writing, counseling, organizational expansion / administration, and community service as reflected in my employment and educational background. As a result, capable of adapting and thriving in a dynamic environment requiring a variety of skill sets for both technical achievement and interactive teamwork.

TECHNICAL SKILLS

Programming / Web: HTML, CSS, Javascript, JQuery, Ajax, APIs, Node.js, Express, Firebase, React.js
Design Frameworks: Bootstrap, Semantic UI, Materialize
Database Management: MySQL, MongoDB

EDUCATION

Rutgers University
New Brunswick, NJ
Certificate, Full Stack Web Development: October 2016

Biblical Theological Seminary
Hatfield, PA
Master of Divinity: June 2010

Pennsylvania State University
University Park, PA
Bachelor of Arts, English: May 2003

EMPLOYMENT EXPERIENCE

Crossway Fellowship – Edison, NJ 2009 - 2015
College Ministry Pastor

- *Founded and established a ministry serving the undergraduate and graduate student body of Rutgers University through community engagement and outreach, increasing the organizational body by five-fold from an average of 10 to 50 active participants over the course of five years.*
- *Led a year-long partnership from 2014 - 2015 with a recreational program in East Harlem, New York City, coordinating free meals and activities for over 50 children and volunteers on a monthly basis.*
- *Fulfilled denominational under care requirements with excellence, earning ministerial ordination in 2013.*
